

Coach Parties

As you possibly know the delights of Scarborough, Whitby and Filey and possibly organise excursions to the area, we wish to offer you two of the region's best-known venues for a lunch or high tea. The cost of this service is listed overleaf.

We provide a very high quality service at economical prices, which you could offer as a unique package to your clients.

The Spa, South Bay, Scarborough

Restored to its original Victorian splendour, the Spa can cater for parties of 50-750 people in a variety of purpose-built function suites. The Spa is also easily accessible by coach, and equipped for the disabled.

Menus

The enclosed menus are meant only as a guide, special meals or themed menus can be arranged)

Ice Cream is always available as an alternative sweet.

It would be helpful to limit the choice of menu to one or two only. This would help us to serve your party efficiently.
